10. Closing Your User Account:

10.1. Users may choose to close their User Account by contacting the Company’s customer support using the contact details provided in the “Contact Us” section on the Website. Any remaining funds in the User Account will be remitted to the User upon request. The minimum amount which a User may request to withdraw is twelve Euros (€12.00).

10.2. Should an existing User Account be closed, any obligations already entered into prior to the closing of such User Account, will be honoured by You.

10.3. A User who wishes to recover funds held in a closed, locked or excluded account is advised to contact our customer support team via the “Contact Us” section on the Website.

10.4. In case of closure of their User Account due to gambling addiction, fraud or money laundering activity, an individual will be prohibited from opening a new User Account. The Company will not be liable towards You should the individual succeed in opening a new User Account, nor for any direct, indirect or consequential damages arising therefrom. The Company reserves the right to close a User Account opened in breach of this rule at any point and at its sole discretion.

11. Suspension of Your User Account

11.1. We shall be entitled to suspend Your User Account in the circumstances expressly set out in these Terms and Conditions or at our sole and absolute discretion as the circumstances may reasonably warrant. Upon the suspension of Your User Account:

11.1.1. No activity shall be permitted (including deposits, withdrawals, participating in Gaming Products and Services) until the date upon which it is re-activated by Us:

11.1.2. No promotional (bonus) funds or contingent Winnings will be credited to Your User Account; and

11.1.3. We shall address the issue that has given rise to Your User Account suspension with a view to resolving it as soon as reasonably practicable so that Your User Account can, as appropriate, either be re-activated or closed.

11.2. We reserve the right, at our sole and absolute discretion, to close Your User Account and terminate these Terms and Conditions with Us (notwithstanding any other provisions contained in these Terms and Conditions) on written notice (or attempted notice) to You using Your contact details. In the event of such termination by Us, We shall as soon as reasonably practicable following the request by You, refund the balance of Your User Account.

12. Participating in Game Products and Services:

12.1. The Company will accept a Bet / Stake provided that You satisfy the terms of this Agreement and the rules of the applicable Gaming Products and Services.

12.2. The Company is not an Underlying Lottery Operator. With the Company, You are placing a Bet on the results of draws of official and/or state-run lotteries and/or lottery-style draws using the RNG technology.

12.3. Charges will be in accordance with the stated fees, as more fully set out and displayed on the Website Homepage, play page and checkout.

12.4. The Company reserves the right to change the stated fees without advance notice.

12.5. Your payment method will be charged either immediately or after confirmation of the Bet / Stake You placed or when You choose to deposit play credits on Your User Account for use on the Website.

12.6. For transaction security We use SSL encryption. SSL (Secure Sockets Layer) is a standard security technology for establishing an encrypted link between a web server and a browser. This link ensures that all data passed between the web server and browsers remain private and integral.

12.7. A Bet / Stake is placed by You subject to rules and regulations governing online transactions and fraud-prevention. In the event of any fraudulent activity on the User's part, the result of which has affected a Bet / Stake, the Bet / Stake shall become the property of the Company and any Winnings resulting therefrom shall be retained by the Company. Any funds deposited into a User Account are deemed to be payment for future Bets / Stakes and if You wish to withdraw any funds deposited You hereby forfeit Your right to any promotional funds / bonuses of any kind given to You since making the initial funds deposit. In addition, NO funds added to the User's Account by way of any promotional offer (including but not limited to double deposits, ad-hoc winnings) may be withdrawn by the User.

12.8. It will be Your responsibility to ensure that correct instructions are given to the Company in respect to the placement of a Bet / Stake. The Company will accept no liability for any errors that may have occurred due to Your incorrect instructions.

12.9. Once a Bet / Stake placed has been accepted by Our server it cannot be cancelled by You. Bets / Stakes purchased through the Website will only be valid once a Bet receipt is displayed in Your User Account or in the case of Sportsbetting only, if a Stake receipt shows a Stake ID number, or a status with an identical meaning. The order receipt confirmation sent by email or the status "Submitted", or in the case of Sportsbetting "pending" or a status with an identical meaning only indicate that the Company has received the order for a Bet / Stake, not that it has been accepted. Only with a status like "in play" or in the case of Sportsbetting "accepted", in the overview then the Bet / Stake is considered accepted. In case that a Bet / Stake is not accepted, the Company will refund the value of this Bet / Stake to You.

12.10. The Company shall not be liable for any lost or delayed transactions caused by the failure of the computer systems used by the Underlying Lottery Operator from where the result is derived, or for any other computer or communications faults and/or errors and/or delays that may occur on the Company's Website, software or systems used by the Company.

12.11. You acknowledge that full freedom from errors or incompleteness is impossible to achieve with respect to computer software. Should You become aware that the software contains an error or incompleteness You undertake to refrain from taking any advantage whatsoever thereof. Moreover, promptly upon becoming aware of such error or incompleteness You shall notify the Company in writing by contacting us via the "Contact Us" section on our Website. Regardless of whether You become aware of any such errors, the Company shall not be liable for payment and/or damages of any sort which may become due as a result of software failure, administrative errors, hardware failure, faults, technical difficulties or Force Majeure.

12.12. The Company shall not be liable for any late notification of Bets / Stakes for a particular event. It is the responsibility of the individual to ensure that their orders are placed in time for the Lottery draw / Sportsbetting Event (as the case may be) and that they are aware of the cut-off times of the various Lottery

Draw/s / Sportsbetting Event/s. You must check (prior to cut off time) Your own transaction history on-line for confirmation of their Bet / Stake. The Company shall not be liable if Your Bet / Stake was received too late for the participation in a particular Lottery Draw / Sportsbetting Event ("late bet / stake") despite the fact that You might have had a winning Bet in that Lottery draw / Stake in the Sportsbetting Event, if it were placed before cut-off time. In such a case and solely in respect of Lottery Games, the Bet will be automatically placed on the next available Lottery Draw.

13. Payments of Winnings:

13.1. Payments of Winnings will be made as soon as reasonably possible, although there may be delays due to any security and/or ID verification review undertaken by the Company and where the Company holds any such payments in accordance with this Agreement.

14. Lottery Games Winnings

14.1. Lottery Games Winnings shall be paid to You within 10 (ten) working days of receipt of the Prize monies from the relevant Insurer:

14.1.1. Save as otherwise provided herein in respect of insured Prizes, all Winnings withdrawn will be paid directly into the User's nominated bank account, in the currency of their choice out of the ones which We have available. Once You have selected the cash withdrawal option and submitted all required details and/or ID verification details. In certain cases, special settlement arrangements may be made. A minimum withdrawal amount of €12.00 (twelve Euros) shall apply.

14.1.2. Winnings / Prize Monies pertaining to Prize Category A (Jackpot) and Prize Category B (Tier Two Jackpot) Amounts Won:

- The Company reserves the right to Pay Out these Winnings / Prize Monies on an annuity basis over a reasonable period of time.
- Winners of insured tickets in Category A (Jackpot) Tier shall, where applicable, split and share their winnings proportionally with Winners from the Underlying Lotteries.
- All Prize category B (Tier Two Jackpot) Winners of insured tickets will receive Prize Pay-Out values as specified on the relevant Underlying Lottery results page.

15. Final Decision on Winnings

15.1. In the event of a discrepancy between the result showing on Your software and the Company server software, (i) in the case of Lottery Games, the results published by the official Underlying Lottery shall prevail and (ii) in the case Sportsbetting Event(s), the result showing on the Company server software shall prevail.

In the case of Lottery Games, the Company is applying the same principle for 'all' Hedged Winning Bets, irrespective of the relevant winning category, where prizes will be paid LESS a percentage of the winning amount as applied by the Underlying Lottery in order to put the Player in a similar financial position as if they had played directly with the Underlying Lottery.

15.2. Any amount credited erroneously to a User's Account should be reported immediately to the Company by the User. Any Winnings or promotional (bonus) funds caused by an error are invalid regardless of how they occurred. The Company reserves the right to recall any payment that is made to a User in error.

16. Placing of Bets / Stakes, Alterations, Refunds & Cancellations:

16.1. Placing a Bet / Stake: –

16.1.1. The Bets / Stakes placed at Your request are chosen by You on the play page of the Website; or can commence from a future date specified by You on the play page if required. We cannot process Bets for any Lottery Draw or Stakes for any Sportsbetting Event after cut-off time for that specific Lottery Draw / Sportsbetting Event, which cut-off time is clearly specified for each Lottery Game / Sportsbetting Event, as the case may be, on the play page. The Website automatically changes over to the next available Lottery Draw date / Sportsbetting Event date at the cut-off time. For the sake of clarity in the event where the User has missed the cut-off time of a specific Lottery Draw / Sportbetting Event, whilst he/she was still in the process of placing and /or paying for a Bet / Stake, the Company will place all its reasonable efforts to submit that pending Bet/ Stake into the intended draw / Sportsbetting Event. However in the case of Lottery Games, if the expiry of the cut-off time, the funding or any other technical delays result in the unavoidable fulfilment of the entry of the Bet into the intended draw, any unfulfilled Bets will automatically be entered into the next available draw. Should customers wish to avoid this eventuality, Bets / Stakes should be completed along with the necessary account funding to ensure full payment for said Bets / Stakes at least 2 hours prior to the advertised draw time and /or cut off time / Sportsbetting Event.

No liability will be attached to the Company for losses incurred from lack of performance by Users' internet service providers or any other technical failure and/or error and/or delay on the part of the User.

16.1.2. In respect of Sportsbetting, multiple Stakes that combine different selections within the same Sportsbetting Event are not accepted where the outcome of one affects or is affected by the other.

16.1.3. In respect of Sportsbetting, the Company reserves the right to change odds and information displayed on the Website at any time and without notice. The Company will take reasonable care to ensure the accuracy of this information, but information is presented as a guide only. Prices displayed on the Website are indicative only and are not binding until a Stake has been accepted by the Company. In the event of any particular information (score, time of game etc) being incorrect, the Company assumes no liability. Kindly refer to the Sportsbetting Rules for further information on how individual sportsbetting markets are settled.

16.2. Cancellation of Bets if You change Your mind, in respect of Lottery Games

To apply for a cancellation of Your entries please contact us via the 'Contact us' section on our Website.

16.3. Refunds in respect of Lottery Games

16.3.1. The Company will permit and process a Refund upon the following conditions

16.3.3. A refund request has been submitted to us via the 'Contact Us' sections on the Website within 30 days from the date upon which the amount was erroneously charged for by the Company;

16.3.4. Once the Company has received Your refund request, it will be reviewed, and You will be notified, within 72 hours of receipt of the refund request, of the approval or rejection thereof. This decision shall be final and binding on You.

- B) the Company was instructed to place a Bet / Stake by a User who has provided false, incomplete or expired information associated with their User Account or otherwise related to the Website or any of the Services available on it;

The Company reserves the right to declare null and void any Bets / Stakes that were the subject of such System Error and to request that any money paid out due to such error is returned back to the Company.

17.1.5 In all circumstances, whereby the Company (in its sole discretion) determines a System Error has been used to gain an unfair advantage, the Company reserves the right to consider any such gains null and void.

The Winnings payable in respect of that single Hedged Winning Bet amount to 30,000,000.00 EUR.

19.3. MORE THAN ONE HEDGED WINNING BET IN PRIZE CATEGORY A

19.3.1. If there is more than one Hedged Winning Bet in the Prize Category A, the Winnings payable in respect of the Hedged Winning Bets in the Prize Category A are calculated based on a "Share Model", consisting of three steps.

19.3.2. Calculation of the number of shares:

19.3.3. Number of shares = Number of Underlying Lottery Jackpot Winning Tickets in that Prize Category + Number of Hedged Winning Bets in that Prize Category

19.3.4. Calculation of Size of each share:

19.3.5. Size of 1 share = Underlying Lottery Jackpot in that Prize Category / Number of shares

19.3.6. Allocation of Winnings:

19.3.7. 1 share per Hedged Winning Bet in that Prize Category

19.3.8. Example 3: There are two Hedged Winning Bets in Prize Category A and one Underlying Lottery Jackpot Winning Ticket has been announced by the Underlying Lottery Operator in the Prize Category A in respect of an Underlying Lottery Jackpot in the Prize Category A of 90,000,000.00 EUR. There are three Pay Out shares, with a size of 30,000,000.00 EUR each. The Winnings payable in respect of each Hedged Winning Bet in the Prize Category A amounts to 30,000,000.00 EUR.

19.4. WINNINGS IN PRIZE CATEGORY B

19.4.1 The Winnings payable in respect of each Hedged Winning Bet in Prize Category B will depend on the number of the Underlying Lottery Winning Tickets in that Prize Category, the number of Hedged Winning Bets in that Prize Category, the payable Prize by the Underlying Lottery Operator for the Underlying Lottery Winning Tickets in that Prize Category as well as the Underlying Lottery Jackpot in that Prize Category.

19.4.2 The Insurer calculates the Winnings in Prize Category B on the basis of the amount of aggregate stakes published by the Underlying Lottery Operator as well as the distribution to that Jackpot Prize Category or on the basis of the jackpot published on the Website of the Underlying Lottery Operator for that Prize Category of the relevant draw of the Underlying Lottery.

19.5. ONLY ONE HEDGED WINNING BET IN PRIZE CATEGORY B

19.5.1 If there is only one Hedged Winning Bet in Prize Category B, the Winnings payable in respect of this Hedged Winning Bet are calculated as:

19.5.2 Winnings = Underlying Lottery Jackpot in that Prize Category B / (Underlying Lottery Jackpot Winning Tickets in that Prize Category B + 1)

Example 1: There is only one Hedged Winning Bet in Prize Category B and no Underlying Lottery Winning Ticket has been announced by the Underlying Lottery Operator in that Prize Category B in respect of an Underlying Lottery Jackpot in Prize Category B of 9,000,000.00 EUR. The Winnings payable in respect of that single Hedged Winning Bet amount to 9,000,000.00 EUR.

Example 2: There is only one Hedged Winning Bet in Prize Category B and two Underlying Lottery Jackpot Winning Tickets have been announced by the Underlying Lottery Operator in that Prize Category B in respect of a Underlying Lottery Jackpot in Prize Category B of 9,000,000.00 EUR. The Winnings payable in

respect of that single Hedged Winning Bet amount to 3,000,000.00 EUR.

19.6. MORE THAN ONE HEDGED WINNING BET IN PRIZE CATEGORY B

19.6.1 If there is more than one Hedged Winning Bet in Prize Category B, the Winnings payable in respect of these Hedged Winning Bets are calculated based on a Share Model, consisting of three steps:

A) Calculation of the number of shares:

Number of shares = Number of Underlying Lottery Winning Tickets in that Prize Category + Number of Hedged Winning Bets in that Prize Category

B) Calculation of Size of each share:

Size of 1 share = Underlying Lottery Jackpot / Number of shares

C) Allocation of Winnings:

1 share per Hedged Winning Bet in that Prize Category

Example 3: There are two Hedged Winning Bets in Prize Category B and one Underlying Lottery Winning Ticket has been announced by the Underlying Lottery Operator in that Prize Category B in respect of an Underlying Lottery Jackpot in Prize Category B of 3,000,000.00 EUR. There are three Pay-Out shares, with a size of 1,000,000 EUR each. The Winnings payable in respect of each Hedged Winning Bet in that Prize Category amount to 1,000,000.00 EUR.

19.7. WINNINGS IN PRIZE CATEGORY C

19.7.1 The Winnings to be paid out in respect of each Hedged Winning Bet in Prize Category C, for example Class 4 in EuroMillions, shall be the amount of the Prize announced by the Underlying Lottery Operator in respect of an Underlying Lottery Winning Ticket in the respective Prize Category.

19.7.2 If the Underlying Lottery Operator has not announced a Prize in the respective Class for the relevant draw of the Underlying Lottery, the Winnings payable in respect of each Hedged Winning Bet in that Class will be calculated on the basis of the aggregate amounts paid in for the relevant draw of the Underlying Lottery announced by the Underlying Lottery Operator and its allocation to the winning Class.

19.8. PAY OUT OF PRIZES IN MEGAMILLIONS AND POWERBALL

For MUSL Mega Millions and Powerball Lottery Draws, the Winner will be paid an amount equal to: (a) 60% of the Winnings in Prize Category A to reflect that MUSL only pays 60% of the amount of the winnings in Prize Category A if We or the Insurer elect to pay such winnings in a lump sum rather than as an annuity over 30 years ("Lump Sum Amount"); LESS (b) a percentage of the Lump Sum Amount, in order to put the Winner in a similar economic position as if it had played the Underlying Lottery as a non- US resident in the US state.

19.9. PAY OUT OF PRIZES IN SUPERENAMAX

SuperEnaMax is derivative game in which Winnings do not necessarily correspond to the numbers drawn in the Underlying Lottery and the Winnings are always insured by Us with an Insurer. Winnings in Prize Category A and Prize Category B on SuperEnaMax will be split proportionally between all winners on this game and on the underlying lottery draw, in order to put the Winner in a similar economic position as if it had played the Underlying Lottery. Winnings in Prize Category C will be as displayed on the Company website. The Winnings will be paid as an annuity over 39 years or, at the Company's election, in a lumpsum amount. In the case that a Special Jackpot is announced, then the Special Jackpot sum announced will replace any Underlying Lottery Jackpot in that Type A Prize Category. Special Jackpot bets will be insured by the Insurer or Insurer's Group and the Pay Outs of prizes for these Special Jackpots will follow the same rules as the underlying lottery that the particular game is based upon. Prize Category A winners of Special Jackpots will split the amount amongst the total number of winning bets placed with the Insurer or Insurer's Group for that particular game.

19.14. Specific terms and conditions relating to the Underlying Lottery and Underlying Lottery Jackpot Prize In addition to these terms and conditions, You are bound by the supplement terms and conditions, as may be amended from time to time, in relation to the Underlying Lottery and Underlying Jackpot Price. 20. Financial Institution:

20.1 The Company is not a financial institution and thus any deposits made into Your User Account do not accrue any interest payments thereon whatsoever.

20.2 The Company does not provide advice regarding tax and/or legal matters. Users who wish to obtain advice regarding tax and legal matters are advised to get in touch with their own personal advisors.

21. Sportsbetting Rules

21.1 A market is settled once the outcome of that market is determined. The Company will always look to settle Stakes as soon as the result is known, however please allow up to 180 minutes for Winnings to be credited to Your Account.

21.2 If a market is not determined earlier in the Sportsbetting Event, the Company will settle the result of the Sportsbetting Event once the normal duration (regular time) of the Sportsbetting Event is concluded, unless stated otherwise on the market description. A football match winner Stake will be determined after 'regular time' of the Sportsbetting Event. This will be the 90 minutes including any extra minutes added by the referee for injuries and stoppage.

21.3 In case a Sportsbetting Event goes into overtime (when regular time does not decide the winner), only markets that clearly state that 'overtime is included' will be paid after the completion of overtime. Any penalty kicks (or other decider) that may follow is not taken into consideration, unless clearly stated within the market.

21.4 Sportsbetting Events not started on time for any reason or even postponed may be kept open and all Stakes remain valid if they kick off (start) within the next forty-eight (48) hours from the official start time. In any other case, the Company reserves, at its own discretion, the right to void all Stakes of such postponed events and refund the Stakes to the Player.

21.5 If any Sportsbetting Event(s) are abandoned after its official start time and are continued by the official organizers within forty-eight (48) hours from the original official start time, the Company reserves the right to keep all Stakes valid and settle according to this result.

21.6 If any Sportsbetting Event(s) are abandoned after its official start time and confirmed not to continue by the official organizer within forty-eight (48) hours from the original official start time, the Company will settle all determined markets decided on the pitch at that time and void the rest by refunding Stakes to You. However, in cases like this, the Company reserves, at its sole discretion, the right to void all Stakes of such abandoned events and refund the Stakes to You.

21.7 As an except to clause 21.4 and 21.5, tennis games will be kept open with all Stakes valid until the officials or organizing body declares a winner. In such cases, the forty-eight (48) hours rule is not valid. However, in case of a player retirement, all markets already determined on the court are settled accordingly and the rest declared void and null. For avoidance of doubt if a tennis player retired before the last point was concluded, the match winner market is void, but all markets related to specific sets or games that are determined, are settled accordingly.

21.8 For baseball games when two teams are playing two games in a row, these are considered as Game 1 and Game 2 and will be settled as chronologically played with all valid Stakes. For avoidance of doubt, if Team A play Team B twice, the result of Game 1 will count for Stakes offered on Game 1 as originally scheduled and the result of Game 2 will count for Stakes offered on Game 2, as originally scheduled.

21.9 When a Sportsbetting Event is cancelled, all Stakes related to that Sportsbetting Event will be void and Your Account will be refunded.

21.10 In case a Sportsbetting Event is abandoned but there has been at least one scorer, Stakes on the first goal scorer market will be settled and Stakes on the last goal scorer will be void. The "anytime goal scorer" market for this player is settled as a winner and Stakes on other players are void.

21.11 The maximum amount for a Sportsbetting Stake differs between sports, leagues and stake types. The Company makes no guarantee that any Stakes placed within or for the maximum Stake shall be

accepted. We reserve the right to categorise Sportsbetting customers with insider knowledge or vast/unfair skill to the business in terms of their sporting knowledge and to limit their stake sizes at Our discretion.

21.12 Stakes placed on any pre-match markets that have already started will be void unless it is a live Sportsbetting Event (in-play).

21.13 The “Cash out” option gives You the opportunity to settle the Stakes at the value displayed before the market is resulted.

21.14 Where the Company has reason to believe that a Stake is placed after the outcome of a Sportsbetting Event is known or after the selected participant or team has gained a material advantage (e.g. a goal, penalty etc.) the Company reserves the right to void the Stake.

21.15 The Company reserves the right to cancel any Stakes where You place a Stake on a Sportsbetting Event where You are in any way involved in the Sportsbetting Event (including but not limited to a referee, team coach or player).

21.16 The Company reserves the right to make Stakes void or withhold payment if the Company has evidence that the integrity of the Sportsbetting Event has been called into question or match rigging has taken place.

21.17 The Company reserves the right to cancel any Stakes if You attempt to bypass the Company’s Sportsbetting limits (potential Pay Out) and risk management by placing multiple, identical or similar Stakes or opening multiple Player Accounts.

21.18 The Company reserves the right to cancel any Stakes when it is likely that You have acted in agreement, or as a syndicate. Placing identical Stakes from more than one account and from the same IP address might be considered a syndicate. Syndicate betting is considered as fraud and may lead to reduction of limits, closing of account, confiscation of winnings and cancellation of all placed Stakes.

21.19 The Company reserves the right to void any or all Stakes made by any person or group of persons acting in an attempt to defraud the Company.

21.20 Multiple Stakes that combine different selections are not accepted where the outcome of one affects or is affected by the other (has a correlation). If such a Stake is accepted in error, the Stake will be cancelled.

21.21 The Company offers You the ability to place a Stake on live Sportsbetting Events (in play) on various different sporting events around the world and while the Company tries to ensure all live betting information is accurate, there may be times where such information is incorrect, due to delays or otherwise. The ‘Live’ feed is provided by a third party and may be subject to a time delay and/or may be inaccurate. When checking live betting odds, live event start times or any other live event markets, please be aware that such information is provided as a guide only and the Company accepts no liability for the outcome of any inaccuracies which may occur. It is Your sole responsibility to check such information is accurate at the time of publication and that any Stakes placed based on this data is entirely at Your own risk.

21.22 The official result is final for settlement purposes except where specific rules state the contrary. The podium position in Grand Prix racing, the medal ceremony in athletics and any similar official ceremony or presentation in other sports are to be treated as the official result.

21.23 The Company reserves the right, in its sole discretion, not to accept certain multiple Stakes or to scale back Stakes.

21.24 You should familiarize yourself with sports betting and the terminology. The Company cannot accept

any responsibility if You place a Stake in circumstances where You do not fully understand any of the terms involved or how the Stake is operated.

21.25 In order to avoid a Stake not being accepted due to odds changes, the system automatically updates the odds before any Stake confirmation and You should check the latest odds in the Stake slip before proceeding. The Stake slip has the option to automatically accept odd changes or not if desired.

21.26 The Company reserves the right to cancel all Stakes of a Sportsbetting Event, if there is any change regarding the venue of the Sportsbetting Event.

21.27 The Company reserves the right to cancel all Stakes if there are radical changes in the circumstances of an event such as the length of playing time, the distance in a race speed or the number of periods, etc.

21.28 The Company reserves the right to limit the net Pay Out on winnings on resulting Stakes on any Sportsbetting Event or combination of Sportsbetting Event by You. This limit may be lower depending on the specific sport, league and type of bet offered. The maximum total Pay Out limit per Customer per day is EUR 25,000.

For avoidance of doubt, this means that no customer may be paid out more than a total of EUR 25,000 in respect of any number or combination of winning betting tickets (i) purchased by that customer on a single day, and/or (ii) ticket is finally resulted on a single day.

Explanation of specific Stake types

21.29 “Head-to-Head Stakes” are Stakes that predict which of the participants will occupy the highest position or will have better results or more points. In order for these Stakes to stand, both participants must actively participate in the Sportsbetting Event. In case the two participants achieve the exact same winning result and therefore achieve a tie, all Stakes are void

21.30 “Outright Stakes” are Stakes that predict which of the participants (3 or more) will occupy the highest position or will have better results or more points. In order for these Stakes to stand, all participants must actively participate in the Sportsbetting Event. If one or more participants don’t participate in the Sportsbetting Event, then the odds on the remaining participants are recalculated and settled with a reduction in the odds, by applying the probability of the missing participants to the rest of the participants applying the same margin. If two or more participants achieve the exact same Winning result and therefore achieve a tie, the applicable odds will be equal to the accepted odds divided by the number of tie participants (e.g. with initial odds 2.70 and there is a 3-way tie, the final odds will be: $2.70 / 3 = 0.90$), unless the official governing body chooses only one winner with an additional statistic criterion (e.g. assists).

21.31 “Booking markets”: In this market, a yellow card counts as one card. A red card counts as two cards. If a Player gets one yellow plus a second yellow driving to a red card, this counts overall as three cards. As a result, a player cannot receive more than three cards. Settlement will be based on all available card data that appear during the normal playing time of an event. Cards shown after the final whistle will not be taken into consideration. Cards to non-playing players (players that have already been replaced, coaches, players on the bench who have not taken part in the game) are not taken into consideration.

21.32 “Booking markets with points”: In this market a yellow card counts as 10 points and the red card as well as a second yellow-red as 25. The second yellow for a player that leads to a red card is not counted. As a result, a player cannot receive more than 35 points. Settlement will be based on all available card data that appears during the normal playing time of an event. Cards shown after the final whistle will not be taken into consideration. Cards to non-playing players (players that have already been replaced, coaches, players on the bench who have not taken part on the game) are not taken into consideration.

21.33 “Corners”: In this market, a corner gets counted for the relevant market settlement only in the case it has been executed. Corners won by a team but not executed do not count for market settlement. e.g. full-

time whistle blown before team can take a corner.

21.34 "Intervals": In this market, the 1st minute of a match is 0:00 – 0:59, 2nd minute is 1:00 – 1:59, 3rd minute is 2:00 – 2:59, and so on. For example, the timeframe interval of 15-30 Mins refers to the period 15:00 – 29:59. Occurrences in added injury time at the end of a half will be deemed to have occurred in timeframes which include the last minute of the respective half.

22. Taxation:

22.1. Winners should note that if Winnings (whether insured or not) are subject to host-country taxation, such taxation shall NOT be deducted by the Insurer or the Company prior to Pay-Out to You unless required to do so by the laws of the host-country as applicable. Winners should be aware, and are hereby notified, that Pay-Outs do not necessarily factor in possible further tax implications in a Winner's own jurisdiction of tax residence and that the Winner is solely responsible for the payment of such taxes within such jurisdiction where he is resident for tax purposes.
